

PRESTON'S COMMUNITY FLAG PROJECT

The *Preston Community Flag Project* is a partnership between the *Preston Area Chamber of Commerce*, *Preston Lion's Club*, *Preston VFW*, *Preston American Legion* and the *Preston American Sons of the Legion* groups. The program is designed to give businesses and residents* the opportunity to "rent" an American Flag each year that will be put out for five flag holidays on their property. This task will be completed by the help of volunteers from each of the above organizations. We are currently in the process of signing up new customers to kick off a great new community-wide way of raising funds for community projects in Preston. Our first 100 flags have been funded through a grant with the Preston Area Community Foundation and we thank them for their support of this project!

The American Flag is but one symbol and an easy one to display. Please consider the opportunity and let's make our town more patriotic than it already is!

The flag will be posted on your property 1-2 days prior to these flag holidays and taken down 1-2 days after: Memorial Day | Flag Day | July 4th | Labor Day | September 11th

The flags will be held in the ground with metal stakes that are hidden underground for your convenience. We will be taking appropriate action to make sure we do not interfere with any underground utilities. The approximate location will be in the boulevard centered with the front door of your home/business.

The deadline for signing up for 2018 will be April 11th, 2018. After the deadline, quantities may be limited. First come, first serve!
