

PRESTON'S COMMUNITY FLAG PROJECT

The *Preston Community Flag Project* is a partnership between the *Preston Area Chamber of Commerce*, *Preston Lion's Club*, *Preston VFW*, *Preston American Legion* and the *Preston American Sons of the Legion* groups. The program is designed to give businesses and residents* the opportunity to "rent" an American Flag each year that will be put out on their property for five flag holidays. This task is completed by volunteers. **Last year we had 108 flags that were put out for each flag holiday!** The proceeds from 2022 helped fund the restoration of the Army Tank at the Trailhead in Preston as well as the signage there.

The American Flag is but one symbol and an easy one to display. Please consider the opportunity and let's make our town more patriotic than it already is!

The flag will be posted on your property for these flag holidays: Memorial Day & Flag Day | July 4th | Labor Day & September 11th

The flags will be held in the ground with metal stakes that are hidden underground for your convenience. We will be taking appropriate action to make sure we do not interfere with any underground utilities. We will come around this spring to ensure existing stakes are still in place and replace any that need to be.

The deadline for signing up for 2023 will be April 30. After the deadline, quantities may be limited.

First come, first serve!
