

About the Project

- The Preston Historical Society (PHS) plans to rebuild the existing Dairy & Farm building into the Preston Depot Museum and Riverfront Center (DMRC).
- The museum and storage space will proudly display and preserve Preston's historical artifacts creating a draw for locals and tourists alike.
- The Agents Office will serve as the meeting and work space for PHS and its committees. Groups will be able to reserve meeting space for functions.
- The building will include ADA restrooms, a covered patio, an uncovered patio, and green space suitable for hosting outdoor events.
- The estimated total project cost is \$400,000, excluding the additional cost of furnishings and displays.
- The City of Preston is leasing the space to PHS at no cost.
- It is through the generosity of many that we are able to make this project a reality.
- Please consider purchasing a customized laser-engraved brick, or making a monetary donation. Every dollar counts. All aboard!

Become a Member

- The Preston Historical Society is a growing membership organization and has been a 501(c)3 organization since 2009.
- We are managed by a volunteer board, execute two annual fundraisers, and meet monthly.
- The mission of the Preston Historical Society is to identify and save the history and culture of the Preston area, so we can enjoy our past and preserve it for future generations.
- We currently maintain an outdoor historical campus and have many volunteers that maintain our artifacts that are in storage.
