## PRESTON'S HISTORY & HERITAGE

"Preston was first settled by **John Kaercher** (pictured) in 1853 and the town was officially organized in 1855. The location was desirable, as the Root River afforded opportunities for Kaercher to establish his flour mills along the river. The area offered abundant supplies of timber, water power, stonework and railway service.

Preston is named after the town's first postmaster, Luther Preston, a good friend and employee of Mr. Kaercher.

Located in the "Driftless Area" of the state, the Preston area was untouched by glaciers and is now a mecca of karst geology, hardwood forests, abundant wildlife, and numerous springs, brooks and streams.

## WHEN TO VISIT

### WINTER

#### November to March

Snowmobiler or not, our winter is when our valley, covered in snow, lives up to its image. It's the time for cross-country skiing on our many miles of State Trails, snowmobile treks, and sitting beside a quiet fireplace watching the snow settle. You can also fish in town for catch and release trout.

### SPRING

#### April through May

Although weather is unpredictable in Minnesota, this is when the trout fishing comes alive and people start gearing up for the warmer days ahead. Preston's Trout Days Celebration takes place each year in May.

### SUMMER

#### June through August

Rivers run full. Bike trails are clear. The town swimming pool is open for a quick plunge to cool down from the hot summer sun. Town festivals are in full swing. The town jumps to life with its shops, restaurants and many exciting and fun events. Hiking, biking, camping, fishing, golfing... a list of summer's pleasures in Preston and the Root River Trail Towns goes on and on.

### FALL

#### September to early November

For those who might see the options of summer as a bit too much to handle, fall is essentially a quieter version. The fall colors are vibrant and you can travel through the area while stopping at one of our two apple orchards! What would fall be without an apple treat?

## PRESTON'S COMMUNITY --- FLAG PROJECT

Join the spirit of unity and pride by participating in the Preston Community Flag Project. Local businesses and residents can "rent" an American flag that will be displayed on their property for the following flag holidays: Memorial Day, Flag Day, 4<sup>th</sup> of July, Labor Day and September 11th. Funds raised help support local community projects.

## PRESTON **PLANNING ESSENTIALS**

The best time of year to visit Preston depends on what you want to do. Each season has something unique to offer. While some see the harsh winter as a snowy paradise and joyfully count each foot of snow, others look forward to summer campfires and long days on the Root River. Locals are lucky to have time to explore the best of each season and probably wouldn't have it any other way. Ask two people who live here in Preston and they will probably disagree on which season is best.

# TOP 4 SPOTS TO TAKE A SELFIE IN PRESTON

BE SURE TO HASHTAG YOUR PHOTOS WITH  
#GetHookedOnPreston #PrestonMN #OnlyInMN

1

## THE TROUT

The Preston Parade Trout typically rests along Hwy. 52 throughout the warmer months. Stop by to snag a selfie with “The Trout”! Because let’s be honest, how often do you see a catch that big?

2

## THE MURAL

The Preston Area Arts Council and community members created the colorful mural that rests above the Preston City Hall entrance. You won’t find a mural like it! The best part, it stands for everything Preston!

3

## THE HISTORIC CAMPUS

A collection focused on agriculture, the river and the railroad featuring an elevator, boxcar, a caboose, motor car and also an old schoolhouse.

4

## THE ARMY TANK

Located just off of the bike trail near the Preston Trailhead is the famous Army tank. You don’t get an opportunity to take a selfie with an Army tank very often. But in Veteran Friendly Preston, it’s a must-see!

## VETERAN FRIENDLY COMMUNITY

The City of Preston is a community that salutes our Veterans. Preston is the only community in Minnesota to have both a State Veterans Home and a State Veterans Cemetery. Preston Veterans Home is a 54-bed skilled nursing facility built on a 15-acre blufftop surrounded by 200-year old white oak forest. Preston Veterans Cemetery is a 160-acre site located on the outskirts of Preston and the first Veterans were laid to rest there in 2015. Preston began a Veterans Friendly Community campaign in 2018 followed by becoming a Purple Heart City in 2019.
